

# Midday Temperature & Symptoms Check Flowchart

Last updated: 07.31.2020

## Preparation

- Touch less Thermometer
- Mask
- Windows should be opened for maximum ventilation
- Ensure awareness of the division office numbers

## Temperature Check Prior to Lunch

- Students will have temperature check classrooms prior to lunch.
- Teachers will take temperatures.
- Students may be dismissed for lunch once a temperature is taken.
- Measurements are repeated once if 37.5C or higher

**Within Normal Temperature**

- Student should wash hands or use hand sanitizer prior to being dismissed to the cafeteria.
- Student should take all belongings with them.

**If 37.5C or higher or demonstrates symptoms**

- If possible, a teacher will walk the student to the "Observation Area" located outside the Village School keeping a distance of 2m.
- If a teacher is not available, a call to the divisional office is made asking for a secondary student temperature check.
- Students should take all belongings with them.
- Student will be permitted to return to school 24-hours after being symptom free.
